

INTERNATIONAL INDIAN SCHOOL, JEDDAH

III- V (GS)

The new academic year 2016-17 began with challenging tasks and enthusiastic resolutions.

We all are aware that April 22nd is celebrated as Earth Day world wide. Sunday 24th April '16 was marked by the observance of the 46th annual Earth Day. A special assembly was conducted by class IVA 2. The assembly started with the recitation from the Holy Quran followed by its translation. Class IV A2 girls under the guidance of their class teacher Mrs. Fateen Kazia, reminded everyone of Our Creator with all His creations especially the magnificent Earth. Hence we have to preserve and celebrate its unique place in the universe.

Hadith and thought for the day followed giving the message- to plant trees, which is charity to mankind. Arwa Arif presented a speech in English in this context- How to protect Mother Earth and save it from disasters.

Hurain – spoke a few words in Hindi – ‘Prakruti Ka Na Karen Haran, Aao Bachaye Paryavaran’ . She taught a slogan to the girls – ‘Ek Pedh Lagao Aur ek Zindagi Bachao’

Mrs Fateen also spoke that we do not inherit Earth from our ancestors, we borrow it from our children. It is our moral duty to pass on this legacy of pure, sustainable earth to our future generations.

The Vice Principal, Mrs Farhadunissa highlighted the important message of judicious use of resources. Man should live in harmony with Nature, was the main appeal. The HM appreciated the colourful charts and placards made by the students.

The EVS department proved their efficiency by putting up a show giving reminders on how to take care of our planet earth.

The assembly was concluded with The Pledge by Angela, with a beautiful message, “ Earth laughs in flowers. So let’s make the earth laugh”.

save ur planet
