

**INTERNATIONAL INDIAN SCHOOL, JEDDAH
I-II BOYS' SECTION
SAFETY AWARENESS PROGRAMME 2016-17**

*Every child has the right to grow up healthy and safe.
But often lack the skills to protect himself.
So, safety awareness programme was organized to
make them learn to be smart, strong and safe.*

*This programme commenced with the assembly
conducted by 2B-3 on 28-04-16 focusing on the safety
measures to be taken in the daily routine in the school
by learning self awareness, self safety and
self care.*

The programme continued on 01st May 2016 at the school ground in the morning during the arrival time of the buses. The students displayed placards with written messages briefing the drivers of the school buses about the safety measures to be taken.

At the end of the day the students gathered in the auditorium for a special programme on safety that started with the recitation of the verses from The Holy Quran. The participating students enlightened various safety measures to be taken at home, on roads, boarding on & off the bus, in school campus, classrooms, washrooms, corridors, etc.

The children were also educated about the personal safety issues like not talking to strangers and not to accept anything from them.

Educational videos regarding safety measures were shown to the students. Lastly, few questions were asked by the organizers to know how much the little audience have learnt and the response was very positive.

Creating Safety Awareness in students in their daily life was the main aim of this event.
