WORLD ENVIRONMENT DAY 2016-17

World Environment Day was celebrated on June 5th 2016 to bring awareness of the environment and promote caring for our planet, Earth.

The I-II Block Boys' Section kids Cabinet took up the responsibility to inspire the students of the block for keeping the environment safe and clean .

They stressed on conserving water , the most precious resource .

Emphasis was laid for saving electricity and 3 R's [recycle, reuse, reduce].

The students of Class I coloured the picture with a slogan "A GREEN PLANET IS A CLEAN PLANET " and Class -II students wrote about the ways to save planet Earth and reduce pollution.
