

Qirat Competition (III-V GS)

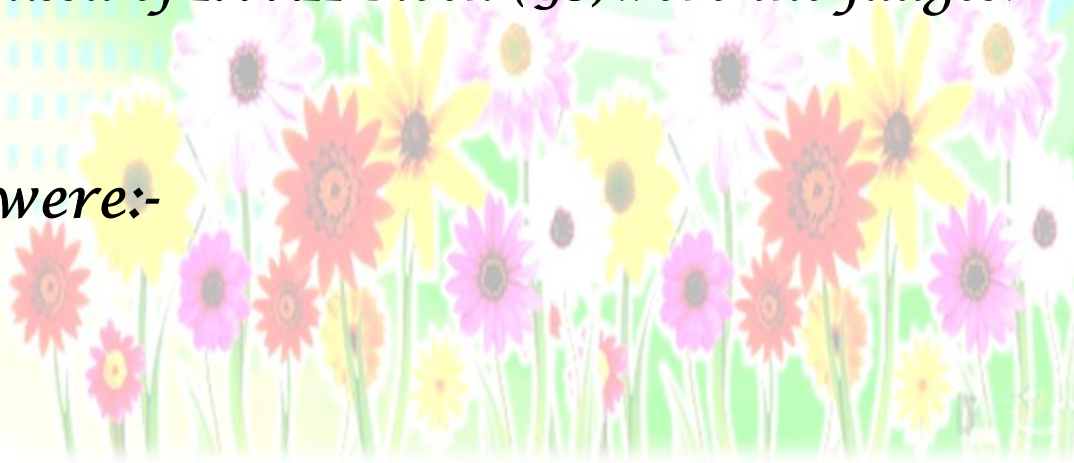

The Prophet (PBUH) said "Verily the one who recites the Quran beautifully, smoothly and precisely, he will be in the company of the noble and obedient angels. And as for the one who recites with difficulty, stammering or stumbling through its verses, then he will have twice the reward".

(Al Bukhari and Muslim)

To explore the potential of the students, making them aware with moral education and inculcate in them a desire and habit to recite surahs with correct pronunciation, Qirat Competition for III-V girls section was successfully conducted on 19th October 2016.
